### Market Background and Current Outlook

- The demand outlook in Export Market has improved significantly, more particularly in USA.
- Global Economy has already seen a formidable recovery in view of increased Rig Counts and increased E&P activities..
- Global Market Demand for Seamless Pipes from Oil & Gas Industry is likely to remain up in the forthcoming quarters. Domestic market conditions more particularly Boiler Sector, have also improved. Domestic Oil companies are moving on with their ongoing projects including Exploration & Production activities.
- Anti dumping on Seamless Pipe has been effected in USA & Europe against China which is having positive impact on other Seamless Tubes suppliers including MSL. Govt. of India has also initiated the probe against Anti Dumping of Seamless Pipes in India by Chinese players.
- The company is now putting up intensive and aggressive marketing approach by penetrating the domestic as well as international market to increase the market presence.

## Management statements:

Mr. Saket Jindal, Managing Director, while addressing, said, "Though the last financial year 2009-10 has finished with recessionary scenario, but Global market has now shown considerable improvement. The trend is already on the ground in form of higher E & P activities, Boiler and Power Projects, Refineries and good export demand. Therefore, we are quiet hopeful now that our company would be able to maintain the growth momentum".
